

# WHAT IS A CDFI?

CDFIs fight for economic opportunity for all.

**Community Development Financial Institutions** (CDFIs) provide responsible financial products and services in rural, urban, Native and other communities where mainstream finance doesn't traditionally invest. There are more than 1,300 CDFIs nationwide with more than \$222 billion under management.

Opportunity Finance Network (OFN) is a leading national network of more than 390 member CDFIs.
